EXHIBIT A

DEFINITIONS

The following definitions apply to the Requests. Unless otherwise defined herein, all words and phrases used herein shall be accorded their usual meaning and shall be interpreted in their common, ordinary sense.

1. The terms “*all*,” “*any*,” and “*each*” shall each be construed as encompassing any and all of these terms.

2. The connectives “*and*” and “*or*” shall be construed either disjunctively or conjunctively as necessary to bring within the scope of a Request all Documents, Communications, or responses that might otherwise be construed to be outside of its scope.

3. The term “*Communication*” shall mean the transmittal of information (in the form of facts, ideas, inquiries, or otherwise). For the avoidance of doubt, this may encompass any oral, written, or electronic transmission of information without limitation, including meetings, discussions, conversations, telephone calls, email messages, text messages, Bloomberg messages, chat messages, Instant Bloomberg chat messages, social media messages (e.g., Facebook, Twitter), WhatsApp chat messages, Signal app messages, Telegram app messages, GroupMe chat messages, or other messaging platforms, memoranda, letters, analyst reports, telecopies, telefaxes, telexes, conferences, seminars, messages, notes, video tapes, photographs, microfilm, microfiche, magnetic disks, or other media of any kind.

4. The term “*concerning*” shall mean relating to (however remotely), referring to, describing, evidencing, or constituting.

5. The term “*Document*” is defined to be synonymous in meaning and equal in scope to the usage of the term “documents or electronically stored information” in Federal Rule of Civil Procedure 34(a)(1)(A), including but not limited to all writings, drawings, graphs, charts,

photographs, sound recordings, images, electronically stored information, and other data or data compilations. This includes documents stored in any medium from which information can be obtained either directly or, if necessary, after translation by the responding party into a reasonably usable form, including but not limited to emails, texts, chats, spreadsheets, and PowerPoint presentations. A draft or non-identical copy is a separate document within the meaning of this term.

6. The term “*FSS Subchapter V Trustee*” shall refer to the subchapter V trustee appointed in the case captioned *In re Free Speech Systems, LLC*, Case No. 22-60043 (CML) (Bankr. S.D. Tex.).

7. The terms “*You*,” “*Your*,” or “*Yours*” shall refer to PQPR Holdings Limited, LLC.

8. The definitions described above shall apply regardless of whether such term is capitalized or not capitalized.

9. The use of any singular noun shall be construed to include the plural, and vice versa, and a verb in any tense shall be construed as the use of the verb in all other tenses.

INSTRUCTIONS

1. These instructions incorporate by reference the requirements and duties of the Federal Bankruptcy Rules and the Local Rules.

2. Each Request is continuing in nature. If at any time additional Documents responsive to the Requests come into Your possession, custody, or control or are brought to Your attention, prompt supplementation of Your response to these Requests is required.

3. You are requested to produce all Documents, Communications, and information requested herein that are within Your possession, custody, or control or in the possession, custody, or control of Your current and former officers, directors, Agents, employees, representatives, Affiliates, Professionals, members, managers, trustees, or any other Person or entity acting or purporting to act on Your behalf.

4. You are requested to produce Documents, Communications, and information requested herein on a rolling basis.

5. If You cannot fully respond to one or more of the Requests after exercising due diligence to secure the information requested thereby, please so state, and specify: (a) the portion of each Request that cannot be responded to fully and completely; (b) what efforts were made to obtain the requested information; (c) the facts relied upon that support Your contention that the Request(s) cannot be answered fully and completely; and (d) any knowledge, information, or belief You have concerning the unanswered portion of any such Request(s).

6. All Documents shall be produced with metadata in TIFF format with OCR images, provided, however, that documents in Excel format shall be provided in native format. ***All Documents shall be produced with metadata, including but not limited to the date and time***

created/sent, author, recipients, cc-copies, bcc-blind copies, family member information, MD-5 hash, subject line and title, and whether the document contains redactions.

7. If the response to any Request consists, in whole or in part, of an objection on the basis of or including undue burdensomeness, then provide those documents that can be produced without undue burden. For such documents that are too unduly burdensome to produce, describe the process or method required to obtain said documents, the quantity and location of the documents involved, and the estimated costs of the search.

8. If You intend to withhold any responsive Document, Communication, or other information on the basis of a claim of attorney-client privilege, work product protection, or any other ground of non-disclosure, You shall identify such Document, Communication, or information in writing by date of the Document's creation, title/file name/"re line"/subject, addressee/to/cc/bcc, addressor/from, Document type, and topic covered and listed with a statement of the grounds alleged for withholding such Document, Communication, or other information, including any privilege claimed.

9. If Your response to any Request is any other objection, You must indicate if Documents are being withheld based on the objection(s), provide all Documents not covered by the objection, and state the specific basis of the objection.

10. If any Document responsive to these Requests has been destroyed, lost, or discarded, state when the Document was destroyed, lost, or discarded; identify the Person who destroyed, lost, or discarded the Document; and, in the event the Document was destroyed or discarded, identify the Person who directed that it be destroyed or discarded. Additionally, detail the reasons for the destruction, loss, or discarding; describe the nature of the Document; identify

the Persons who created, sent, received, or reviewed the Document; and state in as much detail as possible the contents of the Document.

11. Subject to Instruction No. 6 above, Documents should be produced in the manner they are kept in the ordinary course of business. In producing Documents, all Documents that are physically attached to each other, or segregated or separated from other Documents, when originally located, should be produced as is.

12. All Documents shall be produced in such fashion as to identify the custodian or department in whose possession the Document was found and the business address of each Document's custodian(s).

13. The fact that a Document is produced by another party does not relieve You of the obligation to produce Your copy of the same Document, even if the two Documents are identical.

14. Unless otherwise specified, the Requests call for the production of Documents and Communications created, drafted, copied, or otherwise obtained from December 2, 2012, to the present.

15. By serving these Requests, the Committee reserves all rights, does not waive any of its rights, and expressly reserves the right to amend, to modify, or otherwise to supplement these Requests.

REQUESTS FOR PRODUCTION

1. All Documents and Communications that You have produced to the FSS Subchapter V Trustee.
